13th October

A chairde, this week has been marred by the ongoing conflict in Palestine & Israel. Over 50% of those living in the annexed Gaza strip are children, who now have no electricity, no water, no heating and embargos on food and humanitarian aid. Our thoughts and prayers go out to all innocent victims caught up in this atrocity.

Yesterday your child should have brought home a letter seeking new parent nominees for the next Board of Management. Once these are returned to the school you will then receive another letter requesting you to nominate one of the listed mothers and fathers. After this you will receive another letter containing a ballot paper for the election of a mothers' nominee and fathers' nominee.
