Cuman na mBunscoil

The U11 Boys footballers were beaten by Ballymore on Tuesday last in the semi final.

The U11 Girls footballers had a great win against the Curragh yesterday and now proceed to the Div. 7 final which is on next Wednesday at 4pm in Hawkfield. All support welcome.

Soccer

The 6th Class Soccer game against Allen N.S., scheduled for today, was postponed and we hope to play it next week.

Invitations

It is school policy not to hand out Birthday invitations during school time as it can create avoidable upset which can then affect the classroom dynamic. Please disseminate invitations before or after school.

Maths Week

Next week is Maths Week all across Ireland and the aim is to bring Maths alive as much as possible through real life experiences. We will be closing the books and doing Maths Trails, computational thinking activities, coding, STEM, Maths Eyes, Micro Maths and using a range of concrete and digital resources and games. We will also be doing a 'Cube Off' rubik's cube challenge so kids should get some practice in over the weekend.

Some fun activities to support and promote Maths at home can be found at https://www.mathsweek.ie/2025/maths-at-home-activities/

Students Council

With the Presidential Election a hot topic in the country at the moment we want to use it as a way to promote Children's rights, values and voice. Our young people are on the classroom campaign trail as nominees for the Students Council take place next week.

Have a lovely weekend. Le gach dea-mhéin

Mr. Ciarán O'Toole
