Go Green for Gaza

To coincide with Lá Glas on Friday 15th we would like to raise some funds for the children of Gaza who are living a humanitarian nightmare, never seen before in this generation. All donations raised will go to UNICEF.
€500 could provide a weeks supply of high-energy biscuits and vitamin supplements for 100 children.
Please donate what you can.

'The Dig' and 'Bake'

The children thoroughly enjoyed the performances by Paul Curley of 'The Dig' and 'Bake' in the school over the past week

World Book Day

What a wonderful day was had today in Scoil Mhuire for World Book day. A huge thank you to Ms. O'Meara for organising such wonderful activities and events.

Hot School Meals

Yesterday and today I gave each child in the school a sticker which had a unique username and password for www.irishschoolmeals.ie. If you log on to this website and enter your child/children's username and password you can order the Hot School Meals for them for commencement after the Easter break. Most children have their usernames and passwords stuck inside the back page of their homework journals. Juniors and Seniors have them in their book bags
