

Carol service

Sincerest thanks to Enda Grace for recording all of our classes singing their Christmas songs. These songs are in the process of being uploaded to our YouTube channel and will be available to view soon.

While it is unfortunate that we don't yet have a hall to host Christmas concerts one positive at least is that Grandparents, Aunties, Uncles, cousins and family both near and far can watch our children perform online.

MS Readathon

The numbers are in and I'm delighted to announce that, through reading books, the children raised €1822.83 during the month of November for people living with Multiple Sclerosis. Meas mór

Grandparents Day

To give plenty of advance notice our Grandparents Day will take place on Wednesday 22nd January. It will begin with 9:30 mass then all grandparents are invited across to the school to visit the classes.

Swimming

2nd and 3rd classes have now finished their swimming for the year

GOAL Mile

This morning, after our whole school assembly the children did the annual GOAL mile. Thank you to everyone who made a contribution. It's so important for the children to experience volunteering, charity and developing empathy for those suffering around the world.

Well done also to Tadhg in Juniors, Johan in 3rd, Conor in 4th and Natalia in 6th on winning Principal's awards for December.

Nollaig Shona

Finally, on behalf of myself and all of the staff thank you most sincerely for the very kind and generous gifts that have been brought in over the past few days. It is so appreciated. Educating your sons and daughters is genuinely our privilege. Furthermore thank you for your support and collegiality over the past year. May we, as a school community, continue to go from strength to strength in 2025. I hope that you all have a wonderful festive season with family and friends near and dear.
